## VETERANS SERVING VETERANS

The Veterans Service Commission (formerly known as Soldiers and Sailors Relief Commission) was established on May 19, 1886 for the purpose of assisting Honorably Discharged Veterans and their dependents, who have met with an unexpected hardship resulting from illness, injury, or have become destitute due to lack of employment.

The law under which the Veterans Service Commission operates is Section 5901.15 of the Ohio Revised Code. This law designates those persons who are entitled to assistance.

The Lake County Veterans Service Commission is a county agency. Ohio is a unique state that provides such comprehensive support and service to its veterans. Each of the 88 counties in Ohio has a board of five veterans, appointed as commissioners, who administer the program for their respective county.
