VISITING:

Proper identification is required.

No visitor under the age of eighteen (18) years of age is permitted.

Inmates are permitted two (2) visits per week. Each visit is limited to fifteen (15) minutes.

The inmate may choose to combine their two (2) fifteen (15) minute periods into one half (1/2) hour visit.

No visitors will be permitted into the facility later than fifteen (15) minutes prior to the end of visiting.

Visitors who travel one hundred (100) miles or more (one way) will normally be permitted an additional fifteen (15) minutes each.

Note: These visits are not in addition to regularly scheduled visiting times. If the inmate already had two fifteen (15) minutes visits for the week, they are not entitled to any further visits.

If the inmate has used all of their visiting times and receives visitors from over 100 miles away they will not be permitted to visit unless approved by the shift supervisor. Such exceptions will be for extraordinary circumstances.

VISITATION BY MINORS:

Visitation by minors (persons under age 18) will normally be permitted in this facility under the following conditions:

Once an inmate has been incarcerated in the Lake County Adult Detention Facility for a period of 60 consecutive days, the inmate will normally be permitted one 15 minute visit with each of his or her minor sons and/or daughters (this includes step-children, adoptive and biological) in a non-contact visiting area. The visit(s) will normally take place under the following conditions:

Only one minor child is permitted in the visiting room at one time.

The child must be accompanied by an immediate family member who is over age 18.

All minor children who are left in the front lobby during the visit must be supervised by an adult (person over age 18)

Once the inmate has been granted a visit with his or her minor son(s) and/or daughter(s) after the initial 60 consecutive days, the inmate will normally be granted another visit with his or her minor son(s) and/or daughter(s) after 60 more consecutive days of incarceration has elapsed. The inmate will then normally be granted visits with his or her minor son(s) and/or daughter(s) every 60 consecutive days of incarceration in the Lake County Adult Detention Facility.

Visits with minor children will be conducted on Saturday mornings from 8 a.m. until Noon.
