## **PRESS RELEASE** **February 1, 2012**

Sgt. Pat Paterson has reported that on January 31, 2012, at 1720 hrs., the Lake County Sheriff's Office assisted the Fort Lauderdale Police Department in Florida by checking *The Waffle House*, 7505 Crile Rd., in Concord Township for a stolen vehicle. Deputies were directed there as result of a GPS monitoring system the owner had on the vehicle. Deputies did locate the vehicle in question, which was a 2012 American Van Lines Freight Liner with Florida plates, parked in the lot of the business. The driver was identified as 52 year old Darren Lloyd of Margate, Fl., and a former driver for the company. He was arrested for *Receiving Stolen Property* after Deputies correlated information with the authorities in Florida. His 51 year old passenger of Florida did not work for the company and allegedly had no involvement with the reported incident
