

Thank you for making the October 22, 2013 Legal Aid Society Pro Se Plus Brief Advice Clinic, hosted by Judge Falkowski and the Family Law Committee a huge success!

Very exciting results:

- 100% of all those who attended the Clinic went on to file their case!
- Many folks encountered service problems, but 100% went on to file amended service instructions and service was perfected!
- Almost 50% of the cases have proceeded to final hearing with divorces obtained!
Actions filed and relief obtained in less than four months!

A very special thanks to Jim Koerner and Anna Parise, both of whom accepted extended service cases to help clients pro bono!

Again, these clinics are so important to the low-income and vulnerable families in Lake, Geauga and Ashtabula counties. We don't just help these families secure a divorce, we help them navigate through this time of transition and steer them towards a healthy, productive, self-sufficient future!

2014 Pro Se Plus Brief Advice Clinics scheduled to date hosted by Judge Falkowski are as follows:

- Wednesday July 9th at 9am
- Wednesday October 22nd at 9am (This will be during National Celebrate Pro Bono Week, so please, mark your calendars!)

Ann S. Bergen, President
Legal Aid Society serving Lake, Ashtabula and Cuyahoga
