

## **Water Laboratory Technician**

The Lake County Department of Utilities is accepting resumes for the position of Laboratory Technician in a water treatment plant laboratory. The applicant must possess at least six months of general laboratory experience, or completion of a recognized course for laboratory techniques, or college courses in chemistry or biology. Applicants should be knowledgeable in techniques, chemistry, occupational hazards and safety precautions in a laboratory. Knowledge of mathematics, recordkeeping and data entry is preferred. A background in water analysis is desirable. A valid Ohio driver's license is required. Starting salary is based upon qualifications. Send resumes Kelly Andino at [Kelly.Andino@LakeCountyOhio.gov](mailto:Kelly.Andino@LakeCountyOhio.gov), or 105 Main Street, Painesville, OH. 44077, by April 16, 2017.
