The Lake County Sheriff's Office – Public Safety Software Solution

The Lake County Sheriff's Office (LCSO) is seeking competitive Information for a fully functional, fully integrated Web Based Public Safety Software Solution. The LCSO requests information from vendors authorized to do business in the State of Ohio. The LCSO requires one vendor for both phases of the project. Sealed proposals will be received by the Lake County Sheriff's Office at their offices, 104 East Erie Street, Painesville, Ohio up to the hour of 4:00 p.m. local time on April 6, 2018, and read publicly thereafter in the Commissioners' Chambers, for the following: **The Lake County Sheriff's Office – Public Safety Software Solution**

There will be an optional information conference on Thursday, February 22, 2018 at 9:00 a.m. at 104 East Erie Street.

Phase I will be Records and Jail Management Software Solution,

Web based Records Management (RMS), Jail Management (JMS) needs to convert all data from the current Hexagon 8.0 RMS/JMS system plus the exporting of all attachments. This will interface with the existing CAD system to build base records for modules that require the CAD information.

Phase II will be the CAD System.

This phase will need to convert all data from the current Hexagon 9.2 CAD system including the historical reporting server.

▪ **Project Intent**

Proposals are being sought through this RFP for acquisition of:

- Multi-jurisdictional Police, Fire and EMS Computer Aided Dispatch System
- Multi-jurisdictional Mobile Data System
- Multi-jurisdictional Police Records Management System
- Jail Management System
- System Integration Services

Because of the number of solicited products, options for proposing less than a complete suite will not be considered.

The Sheriff plans to implement Open Systems solutions. The Sheriff's office would be looking at two phases of this project. The first phase would address a web based solution for Records Management System (RMS) and Jail Management System (JMS). The second phase would be the Computer Aided Dispatch (CAD) system. This restriction will limit options to Windows operating systems, or the most current OS version. Solutions that incorporate Internet technology will be favorably considered. Please submit 5 original copies and one electronic copy.

No proposer shall be eligible to be awarded the contract to which this Notice or Bid Specifications apply, if the proposer is listed on the Auditor of State's Database as having a Finding of Recovery as that term is defined in R.C. 9.24.

Lake County reserves the right to reject any and all proposals or to increase or decrease or omit any item or items. The contract shall be awarded to the lowest and best proposer. Each proposal must contain the full name of every person or company interested in the same. The Board of Lake County Commissioners reserves the right to waive any informalities or irregularities in the proposals.

Bidders may also access this Legal Notice to proposers via the Internet at www.lakecountyohio.gov, click on *Legal Notices* in the middle of this page to link to the Legal Notice site and on the Ohio Newspaper Association public notices website, www.publicnoticesohio.com.

By Order of the Board of County Commissioners, in and for Lake County, Ohio.
