

July 25, 2014

Hon. Daniel P. Troy  
Commissioner  
Lake County  
105 Main St.  
Painesville, OH 44077

Dear Daniel:

As president of the National Association of Counties, I have the honor and privilege of appointing NACO's leadership team. It is my pleasure to appoint you Vice Chair of the Finance, Pensions and Intergovernmental Affairs Steering Committee. Thank you for agreeing to serve.

Committee leadership at the National Level is a serious commitment and a big responsibility, even more so this year with a federal administration engaged in developing policy on a number of issues facing counties. Your work may include occasional trips to DC to testify in Congressional Committees or promote the NACO platform developed in the committee process.

Enclosed you will find a position description for committee vice chair. Please review this document and if you are willing to accept these responsibilities and make this commitment, sign and return the document to me. If you cannot make this commitment, for whatever reason, please let me know. My goal is to build a committed leadership team for NACO. A great deal of NACO's strength is in its committees and that strength is reflected in the commitment and active participation revealed throughout our committee structure.

Your NACO committee liaison will follow-up with you and provide specific details and information regarding future meetings and the mission of the committee.

I hope you will participate in the various Transportation and Infrastructure activities surrounding my Presidential Initiative this year. With the reauthorization of MAP-21 and other related federal policy issues, we have a lot of work ahead of us, and we need to make sure Counties are telling their stories in Washington DC. This year promises to be an exciting one and I look forward to working closely with you to further the goals of NACO and the nation's counties.

Sincerely,

  
Riki Hokama  
President
