August 23, 2015

Notice of Upcoming Detour For Cashen Road Bridge Replacement

Due to the Lake County Commissioners and the Lake County Engineer actions to replace the deteriorating Cashen Road Bridge over Arcola Creek, please be advised that on or about August 6, 2015 that a detour will be erected to close Cashen Road to all traffic other than local traffic, Local Traffic will be maintained to each side of the bridge.

Demolition of the existing structure and the construction of the new structure will commence on or about August 6th, 2015. This construction will require several months to complete and the detour will be removed upon the project's completion. The bridge is expected to reopen to traffic at the end of November.

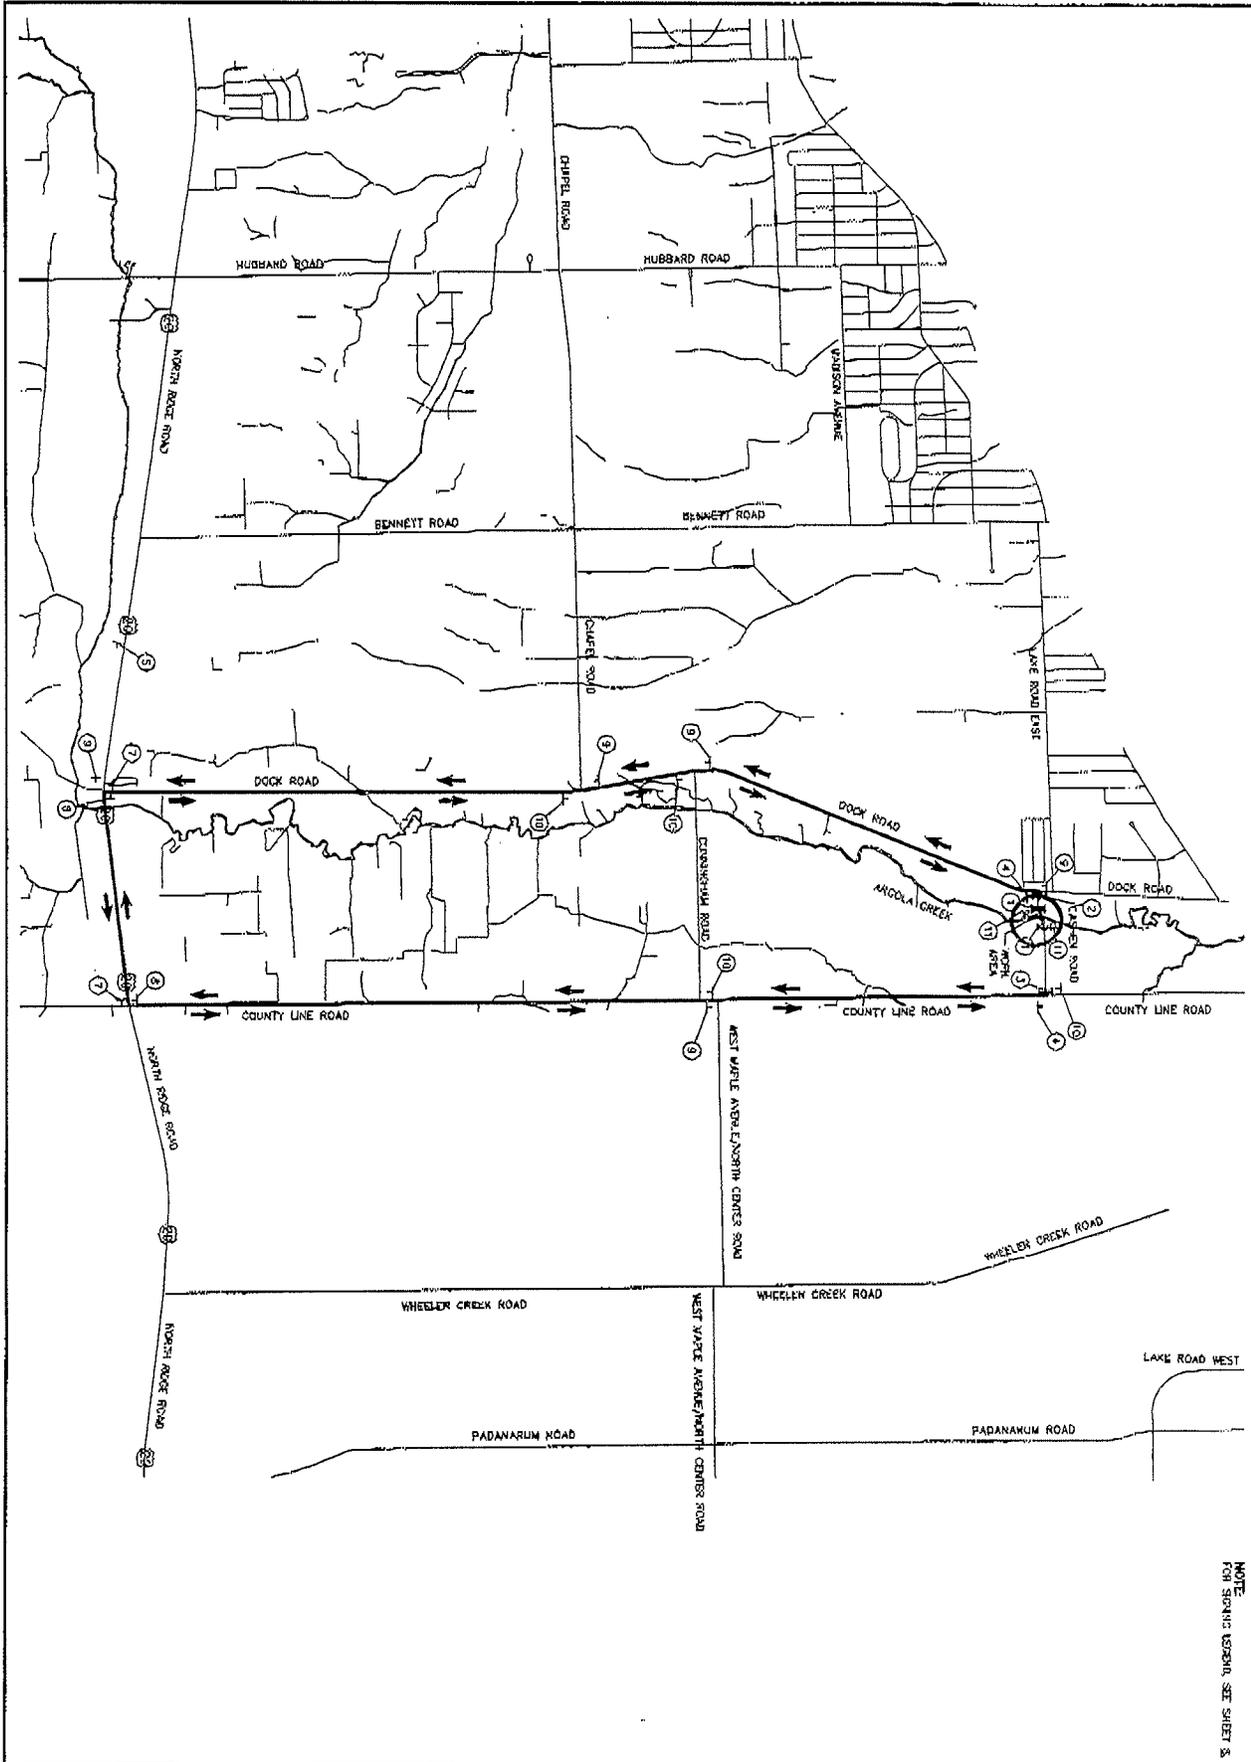

The detour will close Cashen Road approximately 200 feet east of Dock Road and 800 feet west of County Line Road. Attached please find the detour plan that will be enacted.

Cuyahoga Bridge and Road, Inc. apologizes for any inconvenience this project may cause you in the future.
