

Ohio Department of Job and Family Services
**SCHEDULE OF
 CASH MEDICAL SUPPORT OBLIGATIONS**

The following schedule of cash medical support obligations shall be used by all courts and child support enforcement agencies to calculate the amount of cash medical support to be paid by an obligor, unless the annual gross income of the obligor is below 150% of the federal poverty level.

| Combined Adjusted Gross Income | Number of Children | | | | | |
|--------------------------------|--------------------|---------|---------|---------|---------|-----------|
| | 1 | 2 | 3 | 4 | 5 | 6 or more |
| Less than \$61,300 | \$990 | \$1,583 | \$1,853 | \$2,470 | \$3,088 | \$3,705 |
| \$61,300 to \$106,140 | \$1,344 | \$2,150 | \$2,516 | \$3,354 | \$4,193 | \$5,031 |
| More than \$106,140 | \$1,466* | \$2,490 | \$2,913 | \$3,884 | \$4,856 | \$5,827 |

* Indicates that the obligation has been adjusted downward to ensure that the amount of cash medical support that may be assigned to the Ohio Department of Job and Family Services does not exceed the amount of the State's medical assistance expenditures.

The schedule of cash medical support obligations is based on data published by the United States Department of Agriculture: Expenditures on Children by Families 2013, *Estimated annual expenditures on a child by husband-wife families, urban Midwest, 2013* and the lowest regional capitation rate of Ohio's Medicaid managed care program, as determined by the Ohio Department of Medicaid.
