County Solid Waste Facility To Return To Normal Hours

Kirtland, OH. – The Board of Lake County Commissioners announced today that the Lake County Solid Waste Facility located in Painesville Township will be returning to normal operating hours. In response to the severe rain and subsequent flooding that hit Lake County on July 20th the Board of Lake County Commissioners had extended the hours of operation at the Lake County Solid Waste Facility. Additionally, the Board of County Commissioners had also waived all dumping fees for residents who wished to dispose of flood damaged items at the Solid Waste Facility.

Effective Saturday August 3, 2013 the Lake County Solid Waste Facility will be open to the public from 9:00 a.m until 1:00 p.m. Weekday hours will also return to the normal operating hours effective August 5, 2013. Weekday hours at the Solid Waste Facility will be 9:00 a.m until 4:30 p.m. Also, until further notice the Board of Lake County Commissioners will continue to waive the dumping fees for residents wishing to dispose of flood damaged items. The Lake County Solid Waste Facility is located at 2039 Blasé-Nemeth Rd. in Painesville Township at the junction of State Route 2 and US Route 20 (North Ridge Rd.).
