**Commissioner elect  
thanks voters**

Now that the votes have been certified by the Board of Elections, I want to say thank you to the people of Lake County. Thank you, for electing me as your Lake County commissioner. I am humbled by the outpouring of help and support.

I will work hard to make sure that your trust is not misplaced. As always, my goal is to make Lake County the premiere county in Ohio, and together we can make this happen.

Besides the voters, I need to thank my family, friends, my amazing campaign staff and

my friends in labor. Without all of us working together this victory would not have been possible.

I look forward to meeting you all, so stay tuned for my office hours starting in January.

**Commissioner Elect  
Judy Moran  
Willowick**
