

BUY A BRICK OR TILE AND HELP US OUT- YOUR NAME WILL LAST FOR YEARS NO DOUBT

Many of the citizens of Lake County have expressed an interest in contributing to the cost of the Lake County Dog Shelter Building Fund because it is truly a community project that benefits homeless dogs. It adds beauty to our County and enhances the overall appearance of our Shelter. Businesses, interested citizens and even school children are taking pride in helping to see this project become a reality.

Our building is now complete and we need to secure funds to finish on-going and future projects for the dogs. We are making this possible by offering you the opportunity to purchase the commemorative bricks that will be mounted at the Dog Shelter. These are personalized, engraved bricks that are either installed on walls or walkways here at the Dog Shelter. You may purchase bricks as gifts or memorials for yourself, friends, relatives, pets, organizations or for anything else you prefer.

Please consider a donation of \$75.00 for a 3 line, 45 character brick or tile. Please visit us to view the ones that have been installed if you want to see how they look! To be a part of this project, please complete the application below and mail it to us with your donation check. You will receive a certificate that reflects the wording of your mounted brick or tile. Bricks will be applied upon receipt of volume order placed. Once order is received there are no changes or refunds.

Please make checks payable to Lake County Dog Shelter, and mail to:
Lake County Dog Shelter, 2600 North Ridge Road, Painesville, Oh 44077. If you have questions please contact us at 440-350-2640 or email us at: lcdogs@lakecountyohio.gov
