

## BUY A BRICK AND HELP US OUT- YOUR NAME WILL LAST FOR YEARS

Many of the businesses of Lake County have expressed an interest in contributing to the cost of The Lake County Dog Shelter Building Fund because it is truly a community project that will benefit homeless dogs. It will add beauty to our County and enhance the overall appearance of our Shelter. Businesses, interested citizens and even school children will take pride in helping to see this project become a reality.

The property has been obtained, and construction has started, we now need to secure funds to finish construction of the new Dog Shelter. We are making this possible by offering you the opportunity to purchase the commemorative bricks which will be used at the Dog Shelter. These are personalized, engraved 8 x 8 tiles that will be used on the walls or walkways at the Dog Shelter. Please consider a donation of \$250 for 6 lines of text (15 characters per line) or your company logo and 2 lines of text.

To be a part of this project, please complete the application below. Along with your mounted signature brick you will also receive a certificate. Bricks will be applied when building is constructed. Which is currently slated for the spring of 2007.
