We are going to have a *Jeopardy Game* competition using questions about Marijuana and Inhalants. The categories will be: Marijuana – “Physical Effects” and “Psychological Effects” and Inhalants - “True/False” and “Just the Facts”. **Remember: When you talk about Inhalants DO NOT identify products by their specific names.** Collect some information and write some notes on *Marijuana use* and *Inhalant use*. Your notes will help you during the game with knowing specific information when asked.
