Agency Description: The County Engineers' Office handles the construction and maintenance of county roads and bridges, reviews subdivision improvements and county drainage. The office has 80 or more employees including engineers, administration, supervisors, and approximately 50 skilled labor personnel. The purpose of the County Engineers' Office is to keep the county roads and bridges safe for the traveling public.

10. Dave Gilmer

President
Lake County Community Improvement Corporation

Address: P.O. Box 955, Painesville, Ohio 44077

Phone: (440) 350-2974

Email: dgilmer@lakecountyohio.gov

Agency Description: The Community Development Corporation was formed in 1964 to provide tax free revenue sharing bonds for new industry coming into the country. Around thirty industries were added in the 1970's. With the highest interest rates and inflation of the late 1970's, the Commissioners formed the Economic Development Center as a committee of the CIC to promote economic development in Lake County. Economic development infrastructure was added, including SCORE, SBA assisted funding, government contract procurement, Microloan program and others. Within the past few years, the Commissioners formed Port Authority, which umbrella-ed the functions except the Microloan program because of SBA funding. Now, the CIC is available for IRB funding and small business lending.

11. Lee Homyock

Director

Department of Recreation and Public Lands

Address: 54 Mentor Ave. P.O. Box 601, Painesville, Ohio 44077
