

GIS USERS OF NORTHERN OHIO

The **GIS USERS OF NORTHERN OHIO** (GUONO) is an informal group that promotes geographic data sharing, encourages data standardization, and provides a network for the exchange of technical information between all GIS users. Our goals include developing a forum for open discussion of GIS issues and encouraging personal communication between GIS users of all skill levels in the public, private, non-profit and educational sectors.

Mark your calendar and join us:

Thursday July 31, 2014 from 1:30 – 3:00 at the Cleveland Metroparks Canalway Center, E. 49th Street, Cleveland Ohio 44125 for:
