

## TELEPHONE COMMUNICATIONS TECHNICIAN

The Lake County Board of Commissioners is seeking an experienced Telephone Communications Technician for the County Telecommunications Department. The successful candidate must have a minimum of seven years experienced as a telephone technician or related communications field. The candidate will perform a variety of technical and skilled tasks related to the installation, maintenance and repair of the county telephone communications system. Must have the ability to ascertain causes of malfunctions and make repairs as necessary; assist in the development and installation of new systems; provide such service necessary to maintain digital circuitry, fiber optic equipment, microwave interfacing, network interfacing, and testing of such equipment. Certification or training in VOIP, Ethernet, Voicemail, Unified Messaging, Video Conferencing, fiber optics, interfacing, programming and electronic circuitry preferred. Must possess a valid State of Ohio driver's license. Starting pay \$22.90 to \$25.30 per hr. Candidates may send resumes to the Lake County Commissioners, Attn. William A. Margalis, 105 Main St., Painesville, Ohio 44077 by July 25, 2014.
