

## **MAINTENANCE – SANITARY SEWER COLLECTION**

The Lake County Commissioners are now accepting resumes for the position of Sanitary Sewer Collection System Maintenance for the Lake County Department of Utilities. The candidate will be involved in the installation, maintenance, cleaning and repair of the County's wastewater collection system. A background in collection system maintenance including heavy equipment operation is needed. Experience in sewer cleaning, sewer repair and sewer inspection is desired. The position will include exposure to inclement weather, working in permit required confined spaces, working below grade in trenching projects, and will be on-call 24/7 for emergency response, troubleshooting, inspection and clean-up. Strong mechanical aptitude, troubleshooting skills, and good verbal/written communication skills are desired. Applicants must possess a valid Ohio Commercial Driver's License. A Class 1 or 2 collection system license is desirable. A Class A driver's license with tanker and air brake endorsement is also preferred. Starting pay is \$19.35 per hour. Send resume and copy of CDL to: Kelly Andino, 105 Main St., Painesville, Ohio 44077, by: September 6, 2015.
