EMERGENCY – HERMITAGE ROAD CLOSED
FOR IMMEDIATE RELEASE

Lake County Engineer, James R. Gills, announced today that as a matter of safety, Hermitage Road in Concord Township will be closed to thru traffic indefinitely. The heavy rains have caused the culvert to fail. The location of the culvert failure on Hermitage is approximately 500 feet south of I-90.

During the closure, the posted detour will be via Pinecrest Road and Morley Road.

Further information regarding repairs and reopening of the roadway will be released as soon a plan is formulated.
