

Survey Introduction

Here is your opportunity as a resident of Lake County to tell local government what you think the priorities should be for federal and state funding across and within eight broad categories:

HOUSING, PUBLIC SERVICES, INFRASTRUCTURE, ECONOMIC DEVELOPMENT, COMMUNITY REVITALIZATION, COMMUNITY FACILITIES, HOMELESSNESS, SPECIAL NEEDS

Please click on the link below to take the anonymous online Lake County Residents Survey. You will be able to give your input on each of the eight categories listed above. The survey will be available from September 1 through September 30, 2011.

[**CLICK HERE**](#) to take the survey.

Surveys will be tabulated and analyzed to gather a resident's perspective as county staff works to develop a required planning document known as the "Consolidated Plan." This Plan is sent to the United States Department of Housing & Urban Development and it provides the framework for what activities will be prioritized and funded over a three year period. While the direct allocation received by Lake County from HUD is just over \$2Million annually, these funds leverage additional funding from other federal, state, local and private sources.

Additional information and perspectives will be solicited from local government officials, representatives of area businesses and nonprofit organizations.
