

SAFETY MANAGER

The Lake County Department of Utilities is seeking applicants for the position of Safety Manager. Responsibilities include coordinating the Safety, Health and Security programs in a manner which reduces or eliminates occupational injuries, illness or financial loss in accordance with OSHA (Public Employees Risk Reduction Program). Responsibilities also include conducting field-training sessions, accident investigation, site hazard assessments and coordinating safety related activities within the Sewer, Solid Waste and Water divisions. Candidates will have computer skills experience in office software programs, excellent oral/written communication skills, strong interpersonal skills, and a valid driver's license. Qualifications for this position are three (3) to five (5) years of safety administration experience with a college degree, safety certifications or equivalent. Salary \$20.87 hour. Send resume by October 21, 2011 to William A. Margalis, Lake County Commissioners, 105 Main Street, Painesville, Ohio 44077.
