

ATTENTION RESIDENTS:

All communities in Lake County have drop off facilities and/or a curbside option for recyclables. Please check your community webpage for the updated list on bin location, what to throw in the bins, and what NOT to throw in the bins. Additionally, not all communities in Lake County accept the same materials. If you have recently relocated, please check with your local community for recycling options. Thank you for doing your part to keep Lake County recycling!

Listed below are additional recycling opportunities. Business listed below may charge a fee for their service. Please call the business for current information.

If you don't find what you are looking for here, please call 440-350-2582. No endorsement is intended for businesses mentioned, nor is criticism meant for businesses not mentioned.
