

MEETING MINUTES
OhioMeansJobs Lake County Partners Meeting
June 26, 2014 – 10:10 a.m.
Lake County Department of Job and Family Service

Partner Representatives in Attendance

Gretchen Skok-Disanto
Daniel Koncos, ODJFS
Vickie Cook, ODJFS
Maggie Lynch, Auburn Career Center

Staff in Attendance

Leslie Ryan
Robert Dawson

Chair Daniel Koncos called the meeting to order at 10:15 a.m. and asked each attendee to introduce themselves to the group. Minutes of the August 10, 2011 meeting were reviewed. Leslie Ryan reviewed the Balanced Scorecard through March 31, 2014. Leslie Ryan pointed out that we are now on target in meeting the ROI and Tax Payer ROI

Bob discussed H.R. 803, The Workforce Innovation and Grant Opportunity Act. This passed the Senate yesterday and will return to the House for final consideration. The Bill is important because it will maintain the Local Role of Workforce Development and will continue to recognize Local Workforce Areas currently in good standing with populations of 200,000 and greater. These are just a few of the features. A handout was provided and all encouraged to email Dino Disanto.

Bob also discussed PY 2014 Performance Measures. A report was provided. There is little change. We are satisfied with the negotiated levels and have been able to consistently exceed these measures.

Dan Koncos talked about HB2 and Ohio Learn-to-Earn Program. We hope that this will generate more traffic into OMJ Lake Career Center. Mark Goffinet has connected with area employers regarding the OLE program and is eager to connect with our incoming Business Services Representative.

Leslie Ryan talked about our new contracted staff that will be joining us on July 1st. They are Chrstina Dakis, Alaryce Shea and Alan Miller. Leslie also talked about our Coffee Talk events which are being held at the Mentor Public Library. Deb Burke from the Lake County Educational Service Center is presenting today. Leslie talked about two new Training Providers that have been added to our approved list for WIA funding. They are Assist to Succeed which is a Dental Assisting Program (10 weeks) and Precision Machining Institute who provides Training in General machining. This is a 16 week program.

Meeting Adjourned at 11:00 am. A Doodle Survey will be sent in order to schedule the next meeting.
