**APPLICATION INSTRUCTIONS FOR A COURT ORDERED
MOTOR VEHICLE CERTIFICATE OF TITLE**

This form is to be used only if the applicant is a resident of Lake County.

This guide for obtaining a court ordered title has been compiled for purposes of example only. It is intended to provide a summary as we are not authorized to provide legal advice to petitioners.

Requesting the Court to order the issuance of a certificate of title is an available remedy if any of the following limited circumstances exist:

- Lost or stolen title:** The Certificate of Title is lost or stolen and a duplicate is no longer available from the Lake County Title Bureau. The required application/affidavit and orders must be filed by the party requesting the duplicate title. Contact must have been made with the Ohio Bureau of Motor Vehicles or ODNR Watercraft Field Offices and a statement included that the title could not be obtained through BMV/ODNR.
- Incomplete sale:** There is proof of the transaction and the previous owner of record has not provided the certificate of title. Documentation must be submitted showing that there has been the effort made, by certified mail, to contact the prior owner requesting a title be provided.
- Repair garage or place of storage:** Only when the value of the vehicle exceeds \$3,500.00, after storage and repair costs, can the court consider an order. If the value of the vehicle is less than \$3,500.00, the owner of the repair garage or place of storage may obtain a title through a separate process. Please request this information for an Unclaimed Affidavit.

Located in this packet are all the necessary forms to apply to the court for a COURT ORDERED TITLE. Please note there are two divisions Legal and Title, within the Office of the Clerk of Courts and this process causes you to interact with both of them. In addition, this process will cause you to interact with the Bureau of Motor Vehicles/Ohio Department of Natural Resources for record requests and the Ohio State Highway Patrol/Watercraft Field Offices for inspections.

Incomplete/inaccurate paperwork may cause your case to be dismissed.

The process is as follows:

- Present all documents and evidence to a **Lake County Title Office**. If the evidence is sufficient, the Title Office will issue a Certificate of Title. If the evidence is insufficient, you will be given a "court ordered title packet".
- A deputy clerk will sign the order for the **Ohio State Highway Patrol/Ohio Watercraft Field Office** to inspect the vehicle/watercraft.
- Customer will take this order to any office of the **Bureau of Motor Vehicles**, pay for and obtain a salvage inspection receipt. Cost for the inspection is \$53.50.
- Apply for an OBMV Record Request (BMV form 1173 included) from the Bureau of Motor Vehicles/Ohio Department of Natural Resources. Send certified mail to the current owner/registered owner and lien-holder and allow 15 days for a response. Certified mail receipts must be submitted with the court ordered packet.
- An appointment is required for the OSHP inspection/ODNR Field office inspections. For OSHP inspections, the customer is allowed to drive the vehicle to the Inspection Station without a license plate. For ODNR Inspections, the watercraft must be trailered. A list of the OSHP Inspection Stations/ONDR Watercraft Field offices are included in the packet. (None are located in Lake County.)
- Prepare the enclosed APPLICATION FOR ORDER TO ISSUE CERTIFICATE OF TITLE. **This form is an affidavit and requires the signature of a notary public.**
- Take the completed APPLICATION, the INSPECTION RESULTS, the JOURNAL ENTRY (top portion completed) and your evidence to the **Office of the Clerk of Courts Legal Division**, (Courthouse Annex) located at 25 Park Place, Painesville, OH 44077 between the hours of 8:00a.m. – 4:30p.m.
- **You must complete this step within 60 days.**
- A non-refundable processing fee of \$50.00 will be collected to open your case
- If the ORDER TO ISSUE A CERTIFICATE OF TITLE is signed by the Judge, you will be mailed a certified copy.
- Take the certified copy of the order and supporting documentation to any **Lake County Clerk of Courts TITLE DIVISION**.

Please bring the following:

- Application for Order to Issue Certificate of Title
- Bill of Sale
- Order to Issue Certificate of Title (Court Order)
- You will be responsible for the cost of sales tax and fees associated with the certificate of title transaction.
