The Board of Lake County Commissioners continues to consult with public health officials to ensure that we provide public services for our citizens and businesses. Our goal is to maintain quality and timely services to the best of our ability during this unprecedented public health event. In doing so, the County must also provide a safe working environment for our employees and visitors while adhering to the various local, state and federal public health protocols currently in place. We appreciate your cooperation and patience as we balance public health and customer services in Lake County.
