

PROPOSAL SUBMISSION WORKSHEET

The Lake County Auditor (the Auditor) is soliciting proposals for the 2024 Reappraisal Program for Lake County, Ohio. The purpose of this worksheet is to summarize all options made available by all prospective bidders of the 2024 Sexennial Reappraisal Program for Lake County, Ohio. Those options are as follows:

Completion of all required appraisal work: as disclosed in the Instructions to Appraisal Contractors, for all parcels within all property classes of Lake County (the entire County), as follows:

Agricultural	1,688
Commercial	5,615
Exempt	4,323
Industrial	1,982
Manufactured Homes	2,103
Public Utility	209
Residential	<u>96,754</u>
Total	112,674

Possible Alternative: Using a combination of technology as well as manual data collection and/or review.

Possible Alternative: Using technology and photos to perform a desk review as per IAAO Standard 3.3.5 Alternative to Periodic On-Site Inspections

Any Contractor submitting a proposal for this project can elect to submit a proposal for any or all possibilities. Other alternatives may be submitted for consideration. Although it is not required of the prospective Contractors to submit proposals on all the above options failure to submit a proposal on the original request or alternatives would eliminate that Contractor for consideration for that particular option. An alternative format of this page may be substituted in a proposal as long as the Contractor clearly identifies each individual bid as pertaining to Original Request and Alternative A, B, and so on.
