

LAKE COUNTY DEPARTMENT OF UTILITIES

Administration Division

Solid Waste Supervisor

The Lake County Department of Utilities is accepting applications for the position of Solid Waste Supervisor. A High School Diploma or GED, and at least Four (4) years' equivalent experience, and supervisor training techniques, is preferred. A valid Ohio Driver's License with a safe driving record, a drug screen and a background check are required.

Applicants should have experience in the following areas:

- Landfill environmental compliance, rules, and regulations.
- Leachate and landfill gas management.
- Capital improvement projects at a landfill site.
- Overseeing contractors and consultants.
- Managing construction projects from design to completion.
- Demonstrate leadership and supervisory skills.
- Identifying problems and make effective decisions in work assignments.
- Equipment, instruments, materials and operating practices for solid waste management.
- Experience in operating heavy equipment (backhoe, excavator, dump truck) and experience in preventative maintenance of construction related equipment.
- Communication and public relations.

Starting salary dependent on qualifications.
