

## LAKE COUNTY DEPARTMENT OF UTILITIES

Administration Division

### Wastewater Plant Operator Internship

The Lake County Department of Utilities is accepting applications for a Wastewater Plant Operator Internship. Applicants must be at least 18 years of age and actively enrolled in an educational/technical institution. A valid Ohio Driver's license with a safe driving record and a drug screening are required.

This is a structured 12-week long internship program involving a combination of hands-on work, scheduled training, planned activities and coaching sessions in the field of wastewater treatment and related operations. Applicants should have good working knowledge of mathematics; excellent written and verbal communication skills; basic computer skills; and an ability to learn principles and practices of chemistry and laboratory techniques. This position will include performing physical labor and maintaining neat and accurate records. Qualified candidates should be able to multi-task, problem solve and work with various teams. Participation and/or successful completion of this internship may result in full-time or part-time employment, but is not guaranteed. Salary range, depending on qualifications, starts at \$18.00/hr.
