### Lake County JFS Partnered with Sub Zero Mission for Stuff the Bus Event

PAINESVILLE, Ohio, November 29, 2022– The Lake County Department of Job and Family Services and Ohio Means Jobs Lake County partnered with the Sub Zero Mission on Tuesday November 22<sup>nd</sup>, 2022 to collect warming items for the homeless in Lake County. A “stuff the bus” event was held outside of the Lake County Department of Job and Family Services building located at 177 Main St. in Painesville from 11a.m.– 1 p.m.

The Sub Zero Mission helps find those exposed to the elements in northeast Ohio and other cities in the region then offers them warming items. The 501C3 Better Business Bureau 5-Star Accredited Organization owns several vehicles to scout and make deliveries in these areas. The group also concentrates on finding veterans who make up a high percentage of homeless.

“I want to thank our Lake County JFS and Ohio Means Jobs teams for stepping up to lead this important event for our community,” said Commissioner John Hamercheck.

“We are grateful to partner with the Sub Zero Mission again this year to serve the public in another capacity – by collecting warming items that homeless individuals in our community can use throughout the winter to stay warm and safe,” said Job and Family Services Director, Suzanne Casar.

“This is what public service is all about, serving the most vulnerable of our public in a time of need, and I want to thank our employees for doing that at a high level,” said Commissioner Mark Tyler.

“The Sub Zero Mission plays an important role in our community, thank you to all who helped put this event together,” said Commissioner Richard Regovich.
