Lake County Commissioners Join with Laketrans to Celebrate 'Ohio Loves Transit Week'

PAINESVILLE, Ohio, February 13, 2023— At the Commissioners meeting on February 9, 2023, the Board of Lake County Commissioners joined with Laketrans CEO, Ben Capelle, to recognize the great work Laketrans has done and continues to do to celebrate the sixth annual 'Ohio Loves Transit Week'.

Laketrans celebrated 'Ohio Loves Transit Week' from February 6 through 11. Last week, Laketrans celebrated by hosting a Customer Appreciation Event on Tuesday, and continued to surprise their customers along their route throughout the week.

"We are very appreciative of the work that Laketrans does for our community. Thank you, Ben Capelle, for joining with us here today to recognize the many programs Laketrans offers to the Lake County Community," said Commissioner John R. Hamercheck.

"Laketrans is a necessity to many in Lake County. I am grateful we have such a wonderful team at Laketrans that works to continuously support our seniors and local communities," said Commissioner John Plecnik.

"Public transit is so important, I look forward to seeing what else Laketrans does to better serve the residents of Lake County in the future," said Commissioner Richard J. Regovich.

"Thank you for having me. Ohio Loves Transit Week is a great time for us to celebrate with everybody and recognize the importance of transit around the state of Ohio. I certainly appreciate all the support we get from the Commissioner's office with the appointment of all our great board members," said Laketrans CEO, Ben Capelle.
