

## PUBLIC NOTICE OF REQUEST FOR APPLICATIONS FOR HEALTHY AGING GRANTS

The Board of Lake County Commissioners requests applications from interested and qualified organizations for the purpose of addressing social determinants of health and to foster improved quality of life for older adults so they may remain in their homes and connected to their communities, preserve their personal assets, and promote a healthy, independent, active lifestyle.

Moreover, these grant funds will be leveraged to aid households and local communities' recovery from the most recent COVID-19 pandemic and public health emergency, including supporting older Ohioans disproportionately impacted, many of whom continue to struggle with health and economic consequences. Healthy Aging Grants resolve to address the longstanding health and economic disparities, which amplified the impact of the pandemic in many of Ohio's counties.

This project is being supported, in whole or in part, by federal award number awarded to EXECUTIVE OFFICE OF STATE OF OHIO by the U.S. Department of the Treasury. The Governor and General Assembly further approved the use of these funds for Healthy Aging Grants through H.B. 33.

The contract period for this grant will begin on October 1, 2023 and expire on September 30, 2024.

The RFA may be obtained beginning Friday, November 17, 2023 from the Board of Lake County Commissioners by contacting Alyea Barajas at (440) 350-2748. This Notice and the RFA will be available online at <https://www.lakecountyohio.gov/senior-services/>.
