

IN THE SUPREME COURT OF OHIO

STATE OF OHIO,	)	CASE NO. 2020-0599
	)	
Plaintiff-Appellee,	)	On Appeal from the
	)	Lake County Court of Appeals,
v.	)	Eleventh Appellate District
	)	
MANSON M. BRYANT,	)	Court of Appeals Case No. 2019-L-024
	)	
Defendant-Appellant.	)	<b>MOTION TO SUPPLEMENT THE</b>
	)	<b>RECORD</b>

Now comes the State of Ohio, by and through Charles E. Coulson, Lake County Prosecuting Attorney, and Jennifer A. McGee, Assistant Prosecuting Attorney, and respectfully requests that this Honorable Court grant the Motion to Supplement the Record, pursuant to Ohio S. Ct. Prac. R. 15.08, with: the certified video recording with audio of Appellant's March 1, 2019 sentencing hearing.

The reason for this request is that the certified video recording with audio of Appellant's March 1, 2019 sentencing hearing was not included in the record of the above-captioned case. The recording was not pertinent to the issues in the underlying appeal, however, while preparing for upcoming oral arguments in this case, the undersigned discovered that the recording is critical to the consideration and determination of the issue in this case.

This request is made pursuant to Ohio S. Ct. Prac. R. 15.08, which states:

RECEIVED  
APR 14 2021  
CLERK OF COURT  
SUPREME COURT OF OHIO

If any part of the record is not transmitted to the Supreme

FILED  
APR 14 2021  
CLERK OF COURT  
SUPREME COURT OF OHIO

Court but is necessary to the Supreme Court's consideration of the questions presented on appeal, the Supreme Court, sua sponte or on motion of a party, may direct that a supplemental record be certified and transmitted to the Clerk of the Supreme Court in accordance with S.Ct.Prac.R. 15.03(B).

The State submits the recording is necessary to demonstrate that the magnitude of any given situation is never adequately portrayed by the written transcript, as argued in the State's merit brief filed November 17, 2020. While the transcript demonstrates the decipherable words stated by Appellant at the hearing, it does not demonstrate Appellant's physical actions or overall demeanor, both of which are relevant to the issues raised in this appeal. For this reason, the State of Ohio respectfully requests that this Court grant the Motion to Supplement the Record.

Respectfully submitted,
