

Lake County Engineer – Seeking Public Input on the LAK Saint Clair Bridge Overlay Project in Painesville, Ohio and Fairport Harbor, Ohio

The Lake County Engineer is repairing the bridge and approach slab wearing surface on the Saint Clair Street bridge over the Grand River in the City of Painesville and the Village of Fairport Harbor by performing a concrete deck overlay. The bridge wearing surface is in poor condition and in need of maintenance.

The bridge will be closed for the duration of the project. A detour route consisting of SR535 (Richmond Road / East Street), Sanford, and Skinner will be posted for the travelling public.

The Saint Clair Bridge improvement is scheduled for construction in 2024. The estimated construction cost is \$760,000.

Lake County Engineer's Office is seeking public input regarding this project. Comments can be submitted via mail or email to:

Mail – Ms. Traci A. Salkiewicz, PE, Chief Deputy Engineer  
Lake County Engineer  
105 Main Street, Suite A205  
Painesville, Ohio 44077
