DE'ANGELICE

12/12/2008

De'Angelice is an active, curious, caring young lady in need of a forever family. Always ready to laugh, she is looking for a family to relax and have fun with. She would do well with a caregiver who understands her anxiety and can provide support and consistency. At times, she can be stubborn, but once she takes the time to warm up to people, her personality shines! She has several important people in her life, so her ideal forever family would be willing to help her retain these connections. Additionally, De'Angelice should be the youngest child in the home. If you think you could be the family De'Angelice deserves, please contact the Lake County Department of Job and
