Child Care Positions

Accepting applications for full-time Child-Care positions in a Lake County residential treatment center for abused and neglected adolescents. Program provides 24hour/7day per week therapeutic intervention. Shifts include weekends and evenings. Candidates must be at least 21 years of age and have 6 months experience in direct care of children. An Associate degree in a human services related field is preferred. Must also possess a valid Ohio drivers license, be able to operate a motor vehicle, submit to a BCII/FBI background check, a BMV check, a state required physical exam and drug testing. Compensation is \$20.66 per hour to start and \$21.64 per hour after successful completion of six (6) months of employment.

The Lake County Department of Job & Family Services offers excellent benefits including Medical, Dental and Prescription Coverage, paid vacation and sick leave, and a generous tuition reimbursement program.

We offer wage supplements for Child Care Workers with Associate or Bachelor Degrees!

To Apply:

Email your resume to Lake_Emp_App@JFS.Ohio.Gov

This is a continuous posting used to draw applications for positions that typically become vacant several times per year. When vacancies occur, applications already on file are reviewed to expedite filling the position.
