Call to Order:

Chairman Dawson called the meeting to order at 11:30AM using Zoom.

Introductions:

Bob Dawson gave a brief background on the Lake County Comprehensive Workforce Study including the scope of work, procurement process and the funding which came from a special grant: Business Team Expansion Funds. He then introduced Vicki Thompson from Thomas P. Miller & Associates as a meeting cohost.

Spotlight Presentation:

WDB members received the complete study prior to the meeting and Ms. Thompson presented a very thorough PowerPoint on the study including a review of the foundational data, trends, observations, recommendations, and potential next steps. Following a brief discussion and questions, Bob Dawson thanked Vicki for her leadership on the project. Chairman Dawson said the Executive Committee would determine the next steps in the new program year.

New Business:

Chairman Dawson reported on the search for a new Workforce Director. Following his report, he introduced a motion that Cory Vojack be selected to be the new Workforce Director and to request his employment with the Board of Lake County Commissioners. Scott Seaholm seconded the motion. All were in favor and the motion passed without abstentions.

Adjournment:

There being no further business, Tim Flenner moved for adjournment at 12:45 PM. The motion was seconded by Eric Barbe and all were in favor.
