**Step 7: Information for Proposed Split**

A. Township: \_\_\_\_\_

B. Permanent parcel number of current lot: \_\_\_\_\_

C. Adjoining dedicated public right(s)-of-way: \_\_\_\_\_

D. Area of lot split(s) (exclusive of R-O-W, except Leroy Twp):

1		2		3		4	
---	--	---	--	---	--	---	--

E. Frontage of lot split(s)

1		2		3		4	
---	--	---	--	---	--	---	--

F. Intended land use (circle one):    *Residential*      *Commercial/Business*      *Industry*      *Agriculture*      *Other*

G. Will the split create a landlocked parcel? (parcel without legal frontage)    \_\_\_\_\_ Yes      \_\_\_\_\_ No

H. Will the split involve opening, widening or extending the road?    \_\_\_\_\_ Yes      \_\_\_\_\_ No

I. Sewage Disposal Method: (property divisions, property [lot] line adjustments and acreage transfers→ skip to Step 8)

\_\_\_\_\_ **Sanitary Sewer**

Attach completed *Lake County Planning Commission and Lake County Department of Utilities Sewer and Water Availability Notice*. (Forms available at Planning Commission)

\_\_\_\_\_ **Household Sewage Disposal System (HSDS)**

The applicant must provide the *Sewage System Site Evaluation* report performed by the Lake County General Health District. (Contact Lake County General Health District)

J. Water Supply Method:

\_\_\_\_\_ **Central Water Supply**

Attach completed *Lake County Planning Commission and Lake County Department of Utilities Sewer and Water Availability Notice*.

\_\_\_\_\_ **Private Well\***

\* The approval of this split does not guarantee the availability of water if Central Water is not present.

**Step 8: Information for Remaining Parcel(s): The Planning Commission may request additional information to ensure the remaining land adheres to the local zoning requirement.**

A. Area of remaining parcel: \_\_\_\_\_

B. Frontage of remaining parcel: \_\_\_\_\_

**Step 9: Survey Information:**

A. Are there buildings on the property?    \_\_\_\_\_ Yes      \_\_\_\_\_ No

B. Are the buildings shown?    \_\_\_\_\_ Yes      \_\_\_\_\_ No

## **Step 10: Submission of Application to Planning & Community Development**

### **Required Items:**

1. Minor subdivision application fully completed.
2. Sewer and Water Availability Notice or Sewage System Site Evaluation (if necessary).
3. Drawing prepared by a registered surveyor that is in accordance with Lake County transfer and conveyance standards.
4. Drawing showing the information required by Lake County Planning & Community Development.
5. Deed with a legal description that is creating the split signed and notarized.
6. Copy of the minor subdivision deed and the legal description.
7. Copy of any variance granted by the township or court order (if necessary).
8. A statement signed by the owner of the property indicating the name of any agent.
9. Agriculture or personal recreation exemption affidavit (if necessary).
10. Fee – Check made payable to: Lake County Planning Commission

### **Survey Drawing Requirements:**

1. Title, scale, north Arrow
2. All lot boundaries showing the length of courses in feet and hundredths and bearings to not more than half seconds of the proposed split of the original parcel. For existing property lines, both the record length and observed length will be shown.
3. The proposed split shall be outlined and labeled on the drawings.
4. All existing structures on the property that are within 100 feet of the new line must be shown. Distances between any new lines and any structures must be noted. If there are building on the property and they are in excess of 100 feet of the new line then it shall be noted on the drawing.
5. All easements if applicable.
6. Location of major natural features such as streams, lakes, wetlands, top of bank (for property on the lake shore and stream or river banks), and other environmentally sensitive areas.
7. Names of adjacent property owners of record and their parcel numbers.
8. Name of adjacent public right(s)-of-way.
9. Dimensions of the lot width at the building setback line.
10. Name of the surveyor and their registry number.
11. The name of the owner and parcel number of the existing lot that is being split.
12. Total acreage exclusive of the right(s)-of- way.
13. Zoning district and requirements.
14. Topographic features within and adjacent to the property being split for minimum of distance of 200 feet.

The surveyor may determine the best source for this information. **(Topographic data available at the Lake County GIS Department is suitable for Planning & Community Development requirements.)**

### **Note for PROPERTY LINE ADJUSTMENTS and ACREAGE TRANSFERS:**

All deeds must contain the following language:

“It is expressly understood that the above described parcel of land shall be attached and become part of contiguous parcel # \_\_\_\_\_.”

6/13/13

**Step 11: Lake County Planning & Community Development Approval (*STAFF ONLY*):**

A. Zoning District:\_\_\_\_\_

B. Does new parcel meet zoning requirements? \_\_\_\_\_

C. Does the remaining parcel meet zoning requirements?\_\_\_\_\_

D. Are there existing structures (**check aerial photos**)? \_\_\_\_\_
