

THIRSTY?

Everything that goes into our stormdrains--grass clippings, yard waste, soap, pesticides, fertilizer, automotive fluids, pet waste and litter--makes its way straight to our streams, rivers and Lake Erie.

LAKE
ERIE
STARTS
HERE ↓

40,000

Lake county residents get their drinking water from Lake Erie.

LAKE ERIE AND YOUR DRINKING WATER START AT YOUR NEAREST STORM DRAIN OR DITCH.

Design by Laurie Garrett
