

Native Pond Sale

 Lake County Soil & Water
Conservation District

WE ARE NOW TAKING ORDERS FOR FINGERLING-SIZE FISH FOR STOCKING YOUR PONDS!

The District will be selling fish for stocking ponds as a service to its landowners. These fish come healthy and ready to be gently placed in your pond; we cannot guarantee that they will all survive.

All fish must be picked up on May 6th, we cannot hold or deliver your fish for you. **NO REFUNDS ON FISH NOT PICKED UP.**

**Orders Will Be
Distributed**

on THURSDAY, MAY 6, 2021
1:30—2:30 PM

at the NATURAL RESOURCES BUILDING
LAKE COUNTY FAIRGROUNDS
1301 MENTOR AVE
PAINESVILLE, OH 44077

ORDER DEADLINE MONDAY, MAY 3, 2021

Remember to enclose payment with your order. At this time we can accept cash or check.

Largemouth Bass, Bluegill, Channel Catfish, Yellow Perch, and Fathead Minnows are all available.

On pick-up day, please line a 5 gallon bucket with an unscented heavy duty garbage bag and fill the container 1/3 - 1/2 full with YOUR OWN POND WATER and tie the bag shut with something that can quickly be untied upon arrival. You will need one container per every 50 fish ordered.

STOCKING RECOMMENDATIONS:

Largemouth Bass 100 per surface acre of pond

Bluegill 500 per surface acre of pond

Yellow Perch 100 per surface acre of pond

Channel Catfish can be stocked in ponds that are half an acre or larger.

Catfish will not reproduce in a pond, however, they provide excellent fishing. The stocking rate is 50 per surface acre of pond area. A 4"-6" long Catfish stocked this spring will double in size by next spring.

Nature's Pond Conditioner is a once-a-year treatment that adds a natural green color, while lowering fertility levels in your pond.
